We had the fortune to come across the band \$timulus Package while looking for bands at our annual St. Patrick's day party in St. Paul, MN. We have had the same band for several years, and I was very anxious about the band, as our party is for friends, business associates, and Winter Carnival folks. We have a reputation for throwing the best St. Patrick's Day party in St. Paul, and I did not want to tarnish it with an unknown band. From the first song, I knew that our reputation was intact.

In short, they ROCKED!!! The long version... It was such a high energy show. They came off their breaks timely. They really engaged the crowd, including walking out into the crowd and singing or playing guitar. They also did some Emcee duties for us, professionally and without a complaint. I was grateful because the friends and co-workers we invited ALL had positive things to say, and we are even going to try to get them up to our city's Friendly City Days celebration later this year. I was also impressed because they needed no supervision, truly professional to deal with and professional at the event. This is a fun band, and kept our guests entertained for 4 hours. Their light show and setup are top notch, and they are very approachable, friendly and outgoing in between sets. They were more like friends who came to the party and just happened to play for us than a hired band. I really think that they worked to find out what people wanted to hear, and then went up and played it. I plan to have them back next year (and I am in charge of the bands, so there is a good chance of that).

Daniel Myers, Leprechauns of Saint Paul www.leprechaunsofsaintpaul.com

Great band and lots of fun, everyone will have fun at your event, there is truly something for everyone! I highly recommend this band! Jill Nolan, Isanti County

A great band. Professional communication before, during, and after the event. A crowd pleasing set list. Top quality musicianship, sound, and lights.
Ray & Carrie Guest, Private Farm in Northfield, MN

\$TIMULU\$ PACKAGE was so wonderful at our wedding reception! I couldn't have asked for a better band, especially since I was against the band to begin with! My husband didn't want a DJ and I was not totally sold on the idea of a band (too loud, not enough variety, etc). I am so pleased with how great they were, I find myself wishing I had another event that I can hire them for! Lisa totally went with the flow with some last minute changes, and didn't even blink an eye! Thanks \$TIMULU\$ PACKAGE for helping to make our reception perfect!
Cynthia & Dean Rangitsch, K & J Catering - St. Paul, MN

Thank you all so much for playing at our wedding reception!! You were very professional and we appreciated all the attention to the details- things we would never thought of. The music was great! And we had tons of comments from our guests about how much fun you guys were! We would recommend you to anyone! Thanks Again! Matt & Becky Gilbertson, Atlas Bar, MPLS

We would like to take this opportunity to thank you for helping to make our Customer Appreciation Party here at Brainerd Equine Veterinary Service a HUGE success!! The ease of working with you in booking \$TIMULU\$ PACKAGE was refreshing! My emails and phone calls were all returned in a timely manner with all of our questions answered pleasantly! The band showed up when they said they were going to and even played longer than anticipated. Our clients are still talking about how much they enjoyed the party and have even told their friends (other clients of ours) how much fun they missed out on! We at Brainerd Equine would HIGHLY recommend \$TIMULU\$ PACKAGE to play at any event! Thanks again for a GREAT time!

Stimulus package was great not only on our wedding day but very helpful the weeks beforehand giving tips and suggestions. They were professional and had a lot of crowd interaction which my guests loved!! Alex & Bridget White, Plaza Hotel in Eau Claire, WI

Stimulus Package was truly sensational! They were so easy to work with, down-to-earth, and extremely accommodating. And they were just so much fun! I've never seen so many people out on the dance floor for a wedding as we did at ours with \$P as our band. They really interacted with our guests and made the night so special and memorable. I'd do it all over again in a heartbeat. Chris & Kalie Cole, Private Farm in Willmar, MN

Stimulus Package provided the highest level of entertainment possible for our needs. They were professional, on time, organized and they sounded awesome! I would not hesitate to use them again and I would recommend them highly! They helped create a truly remarkable night! Simply the best! \$timulu\$ Package Rocks! Christian & Marisol Belsaas, St. Paul Hotel - St. Paul, MN

Thank you so much for playing at this year's 4th of July Celebration in North Branch! You all did such an awesome job. We've heard nothing but great feedback! You helped make the whole event \$Pecial! Abundant Life Church, North Branch, MN

The band was great. They kept the night moving along and took care of everything so we didn't have to. The sound was great and they even let one of our bridesmaids come on stage to sing. Perfect Night!! Nate & Kari Fischer, Holiday Inn - St. Cloud, MN

I am a bar owner and have been in the bar restaurant and night club business since 1985, all of which have been located in Minnesota. I've also booked many of Minnesota's favorite bands over the years. I've recently had the opportunity to book \$TIMULU\$ PACKAGE for a private party that I hosted. This band's sound was the perfect mood setter! They played all the great party tunes with great energy. This "full Service" band plays to the crowd and keeps the party going all night long. It's my pleasure to recommend this band to whom ever may be looking to fill their establishment with some high energy rock and roll and fun party grooves!

I was extremely happy with the performance that \$TIMULU\$ PACKAGE gave at this year's River City Racin' event. The people that were there were well entertained, the band sounded very good, and I received many compliments on them over the course of the evening. Lisa was very good to work with throughout the entire process as far as setting a schedule, the band arrived when they said they would, were prepared and ready to entertain our guests, and play a great set of songs to a diverse audience. I would recommend them to anyone who would have a need for a very good band. Marty Michalek, Treasurer – River City Racin'

We hired \$TIMULU\$ PACKAGE to play our annual St. Patrick's day party again this year. This is the second year we have had them play, and they continued to ROCK our event. Our dance floor was full all night, with everyone from teenagers to retired persons enjoying the combination of country and classic rock favorites. Unlike many bands, \$TIMULU\$ PACKAGE is so high energy, that you cannot help but get off your butt and shake it on the dance floor. We appreciated the fact that they played full sets, started their sets on time, mingled with our guests, and really enhanced our party in every way a band should. They are all terrific performers, and are not afraid to get off the stage and bring the performance to the crowd, which encourages people who might not otherwise dance, get their a\$\$e\$ on the dance floor. The Leprechaun's of St. Paul LOVE \$TIMULU\$ PACKAGE! Daniel Myers - Leprechauns of St. Paul

We had so much fun with you guys at our reception! Cory can't wait til you have a closer gig so we can come see you again. Thanks for coming and making a night we will never forget!
Jen & Corey DeWitt, Private Home in Princeton, MN

\$TIMULU\$ PACKAGE was great, always had the crowd dancing. Also interacted with the guests & put on a great performance. Brent & Katie Halverson, Tent Party on Main St. Gully

I have heard nothing but positive feedback from people in attendance. I was really impressed with you guys as well. Thanks again and I'll be emailing you in the spring to discuss Prescott Daze 2012! Amy S., Prescott Daze Committee

We had Stimulus Package at our wedding, and couldn't have ask for a more fun band! They got the crowd involved right away and we're very helpful and flexible in setting everything up, working with us on our songs, and just rocked the wedding. I'm very grateful we chose them as the band for our special day and would recommend them to anyone.
Nick & Stephanie Hawkinson, Ukrainian Event Center - Minneapolis, MN

The band was a blast for our 26th Annual Fire Ball. Working with the everyone in the band was seamless to ensure a successful night. The variety kept the crowd on the dance floor all night and my highlight as an old rocker was the when they kicked out Ted Nugent's Stranglehold. Who knew you could dance to that!! Scandia will never be the same. Cheers and see ya next year!! Erich - Scandia Fire Department

We love this band!!! This is the third year we had them, and they continued to delight us. We had 300 guests and Stimulus Package kept the dance floor full all night, with songs that I had not heard them play at the last party. Obviously they keep their playlist up to date, and play everything at an upbeat tempo. Perfect for dancing, young and old. They are also fun to just sit and listen to. If you need a great band for your festival or event, give these guys a try. You will not be disappointed. Dan - Leprechauns of St. Paul

The band was great, and everyone enjoyed the music!!!! Lisa was a great help when it came to song selection!!!! Kenny + Lisa Dye, Rockwoods - Otsego, MN

Great classic rock/country band. Would definitely recommend them for any venue.
Brian + Laura Zard, Pinstripes - Edina, MN

Stimulus Package kept in contact with us before the wedding. They kept EVERYONE at the wedding dancing. My 80 year old Grandma stayed the whole night because she was having a blast! I had several calls after the wedding asking the name of the band and where they are from. If I did it all over I would hire Stimulus Package again for sure!! Thank you so much for making our day great!! Also... they do requests for special songs that they will then learn before your big day!! Mike + Katie Kelly, Coyote Moon Grille - St. Cloud, MN

\$timulu\$ Package played at our wedding (about 250 guests) and they were fabulous! They kept the night rocking and the dance floor was full from the very first song to the very end! They were accommodating to what songs we wanted, and even learned a few for us. Lisa is fabulous to work with in preparing and kept me on track for a successful reception! They sound great and play all popular music that people enjoy. We had everyone out dancing - from kids to our friends, parents' friends to a few grandparents! We have gotten tons of comments about how fun they were and how they really added to the reception!! Definitely the best vendor we used!
Katie + Jesse Riegleman, The Chart House - Lakeville, MN

Very impressed. I got so many compliments about the band! They definitely made my wedding memorable! Chelsey + Brian Schenavar, Henry's Catering - Foley, MN

We were absolutely thrilled with Stimulus Package! Professional, talented, engaging, friendly, approachable, skilled.....I can go on and on with accolades for the band. We will recommend them to anyone who wants a fantastic performance from a band. Kudos to \$P!
Christian + Angela Hallanger, Richfield, MN VFW

\$timulu\$ Package did such an amazing performance at our wedding reception. We couldn't of asked for a more fun yet professional band to have on our special day! They were always very quick at responding to any questions and feedback prior to the wedding, and when they arrived they were so on top of things and kept everything running smoothly at the reception. The day is so busy that you forget about certain little details but \$timulu\$ Package is there to help make sure things are going how you planned. They play such a wide variety of songs, everyone loved their music and I couldn't keep track of how many people asked " Where did you find such a great band?" They get people on the dance floor and they also keep them dancing. We are a couple that loves to have fun and dance and also see our friends and family have a good time and \$timulu\$ Package made that happen. They even let people rock it out on their tambourine and my favorite their cowbell!! I can't thank them enough for making our day so memorable!! Heidi + Brandon Earl, Clearbrook, MN Community Center

Band enthusiasm was great. Their vocals and sound mix/quality was excellent. We were hoping for a bigger crowd but Wednesday's are a tough night to get people out to party. Thanks to Lisa and Band for going a great job despite the smaller crowd. Alan- Stutsman County Fair

\$timulu\$ Package was a hit at our wedding! We had a rain delay, but they worked through it and delivered a successful show to our guests regardless! If you want a party with a band that will get your crowd going - you've hit the jackpot!
Joslyn + Wade Kent, Private Farm - Garner, IA

We really enjoyed \$timulu\$ Package at our wedding. The band was very professional and very flexible to our wishes. It was great to have someone take care of everything (even the timing of the evening!) so that we could concentrate on enjoying our special day. Lisa was a rockstar and a pleasure to work with. The evening was flawless and we have SP to thank for that.
Shane + Deanna Aubart, On Twin Lakes - Birchwood, WI

Stimulus Package was great from start to finish. The music was good and the dance floor was full most of the night and everyone had a great time. We really wanted our guests to have a good time and stay and enjoy the music and party with us and they did.
Becca + Eric Karlson, DS Event Center - St. Paul, MN

If you're looking for a great band for your event STOP! Look no further. We recently hired \$TIMULU\$ PACKAGE for our annual Catholic School dinner dance and fundraiser. We cannot give them enough accolades as they were superb in every way. Everything from their outstanding pre-event communication to post event break down was done with the utmost professionalism. They sounded great and connected well with the audience. Our audience responded back to them and we had more people on the dance floor than ever before. In short you cannot go wrong booking them as they were truly outstanding.

\$TIMULU\$ PACKAGE- OMG - you guys rock! Thank you so much for donating your time and talent to the 2013 Tour De Cure. We were impressed and want you back next year! You helped reward our riders after our biggest year yet - 2041 riders, 500 volunteers and over \$800k raised so far (still counting) to stop diabetes. Thank You! American Diabetes Association

From the very first contact, Lisa was such a pleasure to work with. It was such a relief during all the planning to know there was at least one vendor I didn't have to worry about. They stayed in communication and were always prompt with a response. They learned new songs that had a lot of sentimental meaning that made our night so very special. They provided us with beautiful live ceremony music which added a beautiful touch to our service. I can not express how much they added to our wedding, their song choices kept the group going all night and were so gracious with the kids that wanted to be on stage. They even went out of their way to play straight through their breaks since we were delayed getting them on the stage. Amazing!! I can not say enough about how happy we are that they played our wedding, everyone is still talking about them. Thank you so much for making our night so special.

Beth + Dana Scherer, Venue: The Enchanted Barn

One of my greatest desires for our wedding was to have a live band. Stimulu\$ Package Band met our expectations and more. They go beyond the performing at the event as they emcee the entire night and keep the flow moving with a timeline you discuss with Lisa ahead of time. I didn't have to worry about a thing the entire night as Lisa and the band took care of everything. They kept all our guests engaged and dancing. They were also very flexible with what we wanted to personalize the night. We would recommend them in a heartbeat!

Betsy + Derek Venue: Lake Waconia Event Center

Stimulus Package was an AWESOME band for our outdoor Uncle Sam Jam held on July 5th! From the great members, event participation, pre-event check in to their performance - we couldn't have had a better experience! Their music was spot on as well as the sound. I would highly recommend Lisa and the band Stimulus Package for your event - you'll want to hire them for every outdoor event you have! (Just leave a date or two for us to bring them back!) Tami from Uncle Sam Jam - Charles City, Iowa

Stimulu\$ Package puts on a great show. The City of Ramsey Foundation is thankful that we were able to book such a talented act! \$P drew our biggest crowd this year with well over 250 people attending. I would definitely recommend \$P for any joyous occasion. I spoke with many members of the audience and they all said that they thoroughly enjoyed the range of music Stimulus\$ Package performed and their interaction with the audience. Stimulu\$ Package is an act that we will try to book again for our 2014 Summer Event Series!

Andrew - City of Ramsey

Great band that plays a variety of music that everyone can enjoy! They're preparation and attention to detail made our wedding reception very memorable! Hailey + Noah Venue: 400 Club

Stimulus Package did a great job playing at our wedding reception. Honestly I did not think that the reviews online could be accurate because it was all so positive.....but they were! Lisa was fantastic to work with and knew all the info she needed up front and throughout the process to make it super easy and stress free. Everyone loved the band and the music selection, it definitely helped make our wedding perfect! Maggie + Evan Venue: Family Farm

Stimulus Package was amazing!! I have worked as a wedding coordinator for upscale weddings in Nashville so when it came to my wedding I knew how important responsiveness, professionalism, and flexibility are- and they were all that and more!!! They kept the crowd engaged the entire time. We are still receiving compliments on how fun the band and reception were. A band can make or break your reception and they absolutely made our wedding the best!!! Thank you Stimulus Package!! The Leinie's love "y'all"! CJ + Caitlin Venue: The Leinie Lodge

\$TIMULU\$ Package is the perfect wedding band. A band brings so much energy and passion to a dance and celebration, and Lisa and Stimulus Package brought that energy and passion and more. The band is extremely easy to work with and goes above and beyond to help you plan the reception. The band is very flexible and open to try anything. Their sound is truly awesome- this is a professional band that loves what they do and do it to a standard of excellence. The range and variety of music they can play is truly impressive and they tailor it to you. My wife and I could not have asked for a better band- they truly brought our Wedding Day to a whole new level. We are filled with gratitude for their performance and the wonderful way they conduct business. I could not place a higher recommendation than \$TIMULU\$ Package. Jakob + Kinsey Venue: College of St. Benedict

Stimulus Package kept our wedding guests entertained and dancing all night! Lisa also made the ceremony and dinner music flow seamlessly! We would highly recommend them for any event entertainment! Louie + Jeanna Sand Venue: Settlement Hill Farm

Band was set up and ready to perform on time. Good interaction with audience and adjusted flow of performance to get most participation. Great variety of songs including current hits. Kym's 50th Birthday Party - Medina Ballroom

Led by Lisa, Stimulus Package is, simply put, an awesome band & an even better business. They were clear about what they needed from us at the get-go & were happy to help us meet our needs in every way that they could. It truly is something to take a band like this & say "can you please play in an airplane hangar" & have them not bat an eye in saying "yes." Moreover, the product they put on stage is very well polished. Lisa is an awesome singer/front lady & the guys in the band play much more snugly than many cover bands. The difference is simple: average cover bands leave people saying "I had fun." Quality groups like the Stym Pack leave people saying "That was amazing. When are they coming back?" Kyle - Osecola Firefighter's Ball
